“ To my BJ,

My heart aches at knowing I never got the chance to show you the whole "Uncle Carlton" experience. I saw our future together so close I could touch it, but no one was more prepared and excited for you than your mommy and daddy. They LOVED you into existence, and will love you into eternity. So fly fly my little bird, past the clouds and into the sky. Never feel pain and never cry. Your strong great grandfathers im sure you met, smiling so hard at the new child they will get. But on earth we'll see the sky glowing so blue. Forever blowing kisses from us to you. Love you nephew.

Your Uncle Carlton

“ Dear Carla and Byron,

Jr. was THE MOST loved baby! From the time Kim told me, I was so very happy for all of you!!!

Jr. will forever be loved and cherished by all of us. Just know that in addition to the circle of family and love he had here on earth, he was met and will forever be protected by a trio of phenomenal men--Mr. Curtis, Mr. Dancy, and Uncle Charlie.

No one can know the pain in your heart. We are here for you when you need us.

Rest assured, mom and dad, your baby is loved by earth and the heavens.

We love you,

Jackie and Howard
