“ *Grandma Cap was a beautiful, strong, grateful woman who loved God. Her positivity and love will deeply be missed. You know the saying - "my grandmama love me." That was coined from her. We all enjoyed eating from Grandma's house with her serving hot plates from the cast iron skillet or listening to her recent adventures in Churchland. She loved us and made us all feel special. I'll probably never eat cornbread again without thinking of her...I love you Grandma and THANK YOU for being the woman you were.*

“ *Grandma, we all miss your voice and uplifting spirit. Your grand babies, great grand babies and great great grand babies hearts are so heavy without you here, and your “King” baby thinks about you all the time. For now, my heart bounces from sadness that he won’t have you anymore, to fortunate that he had you at all.*

Now that you have transcended from an Angel on earth into an Angel in Heaven, I know you have already asked God to give us all strength - especially Nanny. I am so happy you are finally free - Grandma, if you see my son in Heaven, give him the biggest kiss for me. I am honored that you are with him.

We love you - Adrianna Simmons

“ Jeanette, Wilma and Family, I have such fond memories of Ms. Captoria strolling through the neighborhood and sharing stories from "the old neighborhood." Praying God's blessings and peace as she takes her rest.
