“ *Mrs. Carlene was always warm & friendly to me. I sat with her earlier this year at a house-warming party and we talked and she reminded that she knew my mother and my family. It was always a blessing to be in her company. She was not judgmental and would tell you exactly how she felt. A Mount Hermon Mother that will be missed! Thinking of you all in my prayers, Ramona Sears Ransom.*

I had the pleasure of knowing Ms. Charlene. She was a beautiful person inside and out. She had a way of getting her point across whether you liked it or not. When you met her it was either instant friendship or just a casual acquaintance. I will truly miss our outing along with her words of wisdom and encouragement. May you rest in peace. Family know God has added another beautiful angel and that is your mom. My prayers are with you all. Keep your faith and trust in God. Weeping endured for a night but joy comes in the morning. Much Love. Patience

“ Words cannot express what I am feeling. A dear friend and confidant has transitioned to a better life. There were many beautiful memories and moments shared that I can store in my heart. The joy and laughter shared of family and friends. Our trips to Games Farmers Market, our special place of blessings received and enjoying pigs feet together. There is an empty chair at our Pokeno games, but an ever presence in spirit. We honored you today and set a special place for you. We asked for understanding and thanked God for the times we shared. Rest my friend. The angels came. The zipper reached its end. Rejoice in your mansion in Glory. I love you still.

“ The memory that I treasure most about Aunt Carlene is her warm smile. She held the calmest demeanor no matter what the circumstances. Her voice was gentle and pleasant. Her arms were a safe haven to anyone needing advice and comfort. Thank you for your unconditional love. I love you always. Patricia Penn and family
