March 31, 1940 - December 18, 2025

Carol Sue Nelson (formerly Norman), 85, went to be with her Lord on December 18th, 2025. She was the daughter of Paul and Doris Norman (formerly Kinsey) born March 31st, 1940, in Pennsylvania and was a graduate of Peabody High School. She had two sisters, Shirley and Janet, both having predeceased her. Carol was a hardworking woman taking her first job at around 14 as a dental assistant in town. She later married Dennis Nelson and became a military spouse living in Virginia and the Great Lakes. They were married for 19 years and had 3 children before divorcing after which she stayed in Virginia Beach for many years until finally going to live with her son Edward in Portsmouth. Throughout her lifetime Carol enjoyed many activities including archery, bingo, dancing, skating, crocheting, playing board games, cards, reading, and music. She was an enthusiastic Elvis fan. Carol was a loving mother, grandmother and great grandmother who enjoyed playing with her children when she was younger and later with her grandchildren. Carol is survived by her three children, Edward and Eric Nelson and Deborah Touchon as well as 11 grandchildren and 13 great grandchildren. She was outspoken and caring and loved by so many who knew her. Her passing has left a void in our hearts and she will be greatly missed.
