“ *In memory of a godly woman who touched my life some 30 years ago. To know her was to love her. Oh, how I missed as the years of separation due to my relocation. We connected before we find we knew each other by our families. So many wonderful memories. She will always be a part of my life. God bless you family.*

I will miss Ms Carrie, for she was a “SPECIAL” person. We met at Tower Mall and through the years, she has always been close to my Heart. May the Lord comfort you during this difficult time. I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love.*

“ Ms. Kearney was a wonderful person to work with. We shared our faith in Christ with each other and our struggles many times during our hours of working together. When my mother was dying of cancer, she explained things to me and shared her battle that she had been facing. She was always a bright spot to my day at Wilson. She always gave God the glory in spite of how she was feeling. She even came and helped me with the Prom in spite of the fact she was sick and did not feel well that day. I will never forget her smile and her constant words of encouragement. She will always be a shining light to everyone who has met her. I can't pass by the front desk at school without thinking of her. She will be greatly missed.

“ *I remember when I worked at Wilson with her and I lost my mom, Carrie helped me thru!!! She was going thru herself but she would keep me encouraged. She and I shared so many stories about life. She always talked about me coming to St Mark to visit, she loved her brother, the Bishop Curtis Edmonds and she loved her children. She always had a smile on her face when she talked about her family. Even tho she was going thru she always gave God all the glory and Praise!!! I will never forget Carrie as long as I live, she will live in my heart. Rest on Carrie, We love you, but God loved you best!!! Sorrowfully Submitted, Carmelita Pope from Woodrow Wilson Praying for the Edmonds and Kearney Family!!!*
