“ Cedric was one of the first NNSY employees I met when I started there about 20 years ago. He made me feel like I fit right in. Never saw him lose his cool and seemed to always be genuine. He was a true friend. May God's comfort and peace fall upon his mother, sisters and daughters during this time of sorrow.

“ You were the first supervisor to ever give me a fair chance; when everybody else doubted me. You always were there for me, when I needed you. I remember the talks, and wisdom you gave me. You still are Morgan Freeman’s twin to me. I love you and truly appreciate everything you ever did for me. I wish I got to tell you, I appreciate you “Grandpa”.. You truly let your work speak for you. May GOD bless you and family during this time of bereavement.
