“ *May God keep you uplifted as you go through this very difficult time!*

I'm truly going to miss her and she was a wonderful neighbor who I could always depend on. Before I moved to Atlanta GA she shared a recipe of her "infamous rolls" that I have prepared over the years. I loved to come to the house and listen to old school music and play spades. That was a treat for me and memories I will always cherish.

Gomez, the boys and I will be praying for you in your time of grieving.

“ *Charlene's smile lite up a room. She was honest, loyal and a hard worker whose integrity surpassed all others. She spoke her mind but kept her words kind. I liked her from the moment I met her and grew to love her as the years past. If she told you you were her friend, you could always count on her love, loyalty and true friendship to the end. I'm going to truly miss my friend. She was a friend until the end. I loved her dearly. B*

“ To the Parson Family, may God continue to strengthen you and keep you.

Charlene will be truly missed, her smile, her soft voice and her way of putting you in your place in a nice way. I will miss her; she taught me all I needed to know when I joined the ICU team at Maryview. She really knew how to handle those doctors, and some of the nurses as well. Her strength was her blessing, her smile was gift from God. Family I know you will keep her in your hearts and always on your minds, she was that kind of person.

From Gloria Freeman Wheeler and Family - Be blessed.

“ May the family continue to look to God for comfort during this time. Hold on to the memories that You have of Charlene. She is now in that mansion that God prepared for her many years ago. There are no more Dr appointments or hospital stays. I know that She will be missed but God needed an additional flower.
