“ This is very hard to take in. When I heard the sad news, all I could think of was Tabari and James. Charlotte was a very sweet person. I remember her and Tabari coming to all of the activities James was involved in elementary school and it didn't stop until he graduated. Every game, competition or anything that involved Norcom Charlotte was there. She always had a joke or something good to say. I will miss her. Tabari and James if you need anything please do not hesitate to let me know. She is in a better place, with no suffering, aches or pains. Rest on my friend
