“ Eric and Tyler I'm so saddened by the loss your wife and mother. Cheryl was such a kind and gracious person. Cheryl and I became friends when we worked together at MCI. I thought she was beautiful and had the warmest spirit. We remained in touch when she moved back to Chesapeake Va. I will be forever grateful that I visited her in August. Even then she was vivacious, very spirited and confident she would win her battle...but I guess God wanted her home. My prayers and condolences to you and Tyler during this difficult time.

“ Cheryl was like a sister to me. I didn't realize she was so sick (we spoke 3 weeks ago) & was unaware that she had passed until I googled her this morning & discovered this. Eric & Tyler & family, I am so sorry for our loss but thank God for His grace & mercy, that she doesn't have to suffer. RIP, beautiful angel!

“ To Dr. Hines, Tyler and Family: Cheryl was a jewel-a ruby. She had a sweet spirit and was like a daughter to me. She would come to Richmond and visit with me and we talked often. It was very hard for me when she became ill, but she assured me that she knew that God was with her and she would be all right. I know that this is a very difficult time for you; however, know that she is resting with the Best-Jesus. I pray that He will give you comfort and peace at this time. Be assured that God will take care of you and her spirit will always remain with you. May the Peace of God that passes all understanding be with you always. Deborah E. Mapp
