“ *My mom was the best mother any child could ask for or dream of. She stood by her kids from day one until the end. If it wasn't for her, I wouldn't be who I am today. I am forever grateful and I will miss my mom dearly. She will be forever in my heart.*

“ *Cheryl and I go back to grade school. She was always a kind and fun person. She made a most interesting comment to me as we left elementary school going to S.H. Clarke that I will never forget. It left a smile on my face and I remember it like yesterday. You are in the comfort of God's hands right now. My prayers go out to your family.*
