“ hey dad, I miss you so much. I hope you can help me through life, and with what's going on in mind help me not to do anything stupid. I still see my past clearly and it still hurts bad. I just wish my mom could have done something different. I would not hurt bad right now if I could just stop and get it out of my life. I still need you dad. Love you. KB

“ I don't know where to start. I have so many of him. Chester aka Fred was my Forever Friend. In the 6 years I knew him he helped council me in so many ways. He brightened my days when he had an appointment here at VOA. We bonded from the very beginning. He will forever be in my heart. Love you Fred
