“ My condolences go out to Christine sons, sisters, brothers and other relatives and friends. I hope that in mourning you realize that she is truly at peace. Christine has fought a good fight and beat most of the odds that she was up against. She has struggled even while she accomplished securing a certification as a CNA less than a year ago. “ I little knew that morning. God was going to call your name,
In life I loved you dearly, in death I do the same.
It broke my heart to loose you, you did not go alone,
for part of me went with you, the day God called you home.
You left me beautiful memories your love is still my guide,
and though we cannot see you, you're always at my side.
Our family chain is broken and nothing seems the same,
but as God calls us one by one, the chain will link again.
