“ *The day I walked into your room at Norfolk General 11-11-13, I knew she was going to be special to me. Mrs Trotter opened her arms up to me and my two daughters as if I was her daughter instead of a friend. That meant so much to me, you will be missed by many. I know you are in as better place no more pain nor suffering. (Sang your heart out mother). I'm going to miss your smile, our long talks, but my memories of you will last forever! Thank you Mrs. Trotter for loving my girls and I the way you did. Tamara, Takiyah and Nyima Daniels!*

“ *When I first met (mother) she was up front, did not sugar coat anything. She would call me for anything, her cooking was very good. The amount of cakes and pies she prepared for on Thanksgiving was limitless. She opened her arms to me as a son instead of a son-in-law. That ment the world to me. Thanks for the long talks and advice mother. Thanks Darryl Croom and family*

I will miss my Aunt Tina. She kept us in the summer time and always tried to make me eat. She would say put some meat on them bones. LOL I am so sorry for our lost. But she is no longer in pain. From the Murrays. (Deborah Darden) Lawrence E.Darden daughter. Baltimore, MD.
