“ Condolences to the family of Christopher Dale Grandison.

I knew Chris as a student-athlete at Norfolk State University. He played baseball and was quite a player. I later reacquainted with him when we married and had two beautiful children of whom he loved dearly.

He was a kind and intelligent young man who turned out to be a good leader and gentleman.

He will be missed but God had a better plan. Rest in peace my friend.

“ *I had the pleasure of working with Chris over 20 years ago. He often shared his faith and love of family. Chris was the ultimate gentleman, always dressed sharp with an encouraging word to offer.*

May God comfort and strengthen the Grandison family. "To be absent from the body, is to be present with the Lord.

“ This really hurts my heart 💔😞. This seems so unreal; I honestly wish it were a bad dream. He was a true example of a Godly Man 100, a man of honor, dignity, class, and respect 💪. I am truly grateful for the opportunity to have known him on a personal, professional, and spiritual level. No matter what it was, from my car to personal advice, he always called me FAMILY, and I am forever grateful ☐ 🙏. Your homegoing will definitely be a celebration of life 🌈👏.

*My wife, Esther and I thoroughly enjoyed our time and experience when purchasing our new BMW vehicles from Chris. It was always a pleasure to see him and have conversation with him as well. He was more like a friend to us. We had great conversations and enjoyed hearing about his family and how proud he was of them. We will miss him dearly.
Love and prayers to his family.
