“ *My thoughts and prayers are with you at this time. I loved that man dearly and will truly miss not being able to pick up the phone to call him. Loved his Carolina BBQ, it was the best in town. In return he loved my chocolate chip cookies. We were both Redskin fans and had that discussion every Monday at work. He was the man I could go to and talk to about anything. I love you Clarence Earl. May you Rest in Peace.*

*My thoughts and Prayers are with you all. First, let me begin by stating that my name is also Clarence E. Felton. Clarence and I met back in NC when we both were children. At that time we discovered we shared the same name, that was merely a coincidence. Later in life we reconnected when he was working in a clothing store (I don't remember the name) in Norfolk. We lost contact and have not seen each other in approximately 40 years. I am so sadden to hear of his passing.*

*Sincerely,  
Clarence E. Felton
