“ It was with great sorrow to hear of the passing of my current and childhood friend, Clarence. As youth we shared the experience of proudly being residents of the Mount Hermon community and enjoyed the company of all the guys that " hung out" out at the playground, Pat's corner, and just talking on the church steps across from Pat's. Clarence was a master conversationalist and humorist. It was always great "fun" just to have him around, both as youth and adults. We spoke as recently as 1 month ago..just two old friends keeping in touch. To his family, you have my deepest sympathy, and I am sure that all that knew him, wiil miss him.

“ *My heart is heavy right now. You were more than a step-Dad . . . you were my Dad. You practically raised me (through my elementary & middle school years). I will see you again . . . Nesie - Venezia "Squirt" #DPMemories4ever*

*Although your work on earth is done  
Your life in heaven has just begun.  
Your struggles here were hard and long  
But they're over now, you're finally home.*

*Life wasn't easy, by choice or fate  
A decision made, sometimes too late.  
A fight to the finish, always strong  
Rest easy Dad, you're finally home.*

*To Karen (Niecy) & the entire family . . . my condolences. May God continue to give us all strength during this time.*

*Love You All . . . .*
