“ Dear Timothy and Luke - I am so sorry for your loss and am keeping you both in prayer..

Timothy, the relationship you and Joseph developed in college, especially in your off campus apartment is the web that brought Claudine and I together. We became friends and sisters then moms to both of you.

The light from the love and laughter your mom and I shared will forever radiate in my heart and soul. She loved you both deeper than I can convey, and she always spoke of you both with such pride. You made her very proud.

In your time of sorrow, trust God. He will give you the strength you need to endure any challenges you may face. I love you both.

Jacqueline (aka Auntie Jackie)

“ I couldn't have asked for a better person to work with over the years at PIMS. Claudine was protective, supportive, and most real person I have ever worked alongside or known. I'm grateful that our paths intertwined.

A bright light has gone out at PIMS, but her memory and impact will forever live on. Claudine - you were the best of us. <3 Ayla

“ Claudine touched so many lives by being who God designed her to be. Even in her struggles she **SHOWED UP** in and with all her greatness. What a gift to know her. Im so glad I got to share these exact words with her before she left this world.

i'll keep her memory close to my heart forever.

“ *My dearest Claudine.... I am beyond heartbroken to see you go. I'm going to miss you tremendously. We became coworkers over 25 years ago and we quickly became sisters. Each text, phone call and or email, we ended it with "Love you sis".*

You were earth's brightest angel with your amazing and sweetest personality. You treated everyone with love.

Heaven has gained one of the best!

You are an amazing mom, sister, friend and colleague.

As always... Love you sis

Andrea
