*To The Family of Clementine Trotter. My condolences to you all. As a former neighbor of Atlanta Ave. I have the pleasure of know the family for many years, Clem and Tyrone were some of the best people to know always willing to help anyone. She had a heart of Gold. Never complained even when she was going through. The last time I saw her at the store she mention what she was going through but she still had that beautiful smile on her face. But God has her now no more pain. So Tina, Tee and Joann she will be forever in your hearts. God Bless the family*

*I had the privilege of working with Clem at the Federal Government. She was the kindness friend and coworker. We had so much fun working together. I knew she was sick when she retired. When I found out that she left on her last day. I sat down a d sobbed. I worked three more years but the joy we had working together was gone. She will forever be in my heart. I have been praying for the family knowing that it is first holiday season without her.*

“ To JoAnn, so sorry to hear about the death of your mother. I don't say "lost" of your mother because we know where she is. She is with her precious Savior, Jesus. What could be wrong with that! All day resting in his arms and fed by his love. We pray and send love to you, for regardless of the hope we have of seeing her again in heaven, the loss here on earth is real. Nothing like our mothers, Amen. Love and note we are here for you and your family. Love, Carl and Beverly Edmonds

This was my sweet potato pie lady. She would make pies for each occasion I ask her. I put my request in for Thanksgiving pies on October 22 2020. I was total unaware of her situation until her daughter call make after looking through her mom cell phone. I thank you so much for calling me and informing me of her situation. I met her husband and son on several occasion when I would come by to pick up the pies. The family have my deepest sympathy in the lost of your wife, mother, aunt, grandmother and friend. I work with her for many years at SUPSHIP. Prayerfully and sorrowfully. Samuel Powell.
