“ *Clevin had the most energetic spirit! He was a true man of God who loved life and touched everyone's life he encountered! We will miss his sense of humor, his smile, and his kind heart. He was ALWAYS willing to help anyone in need and checked on you all the time. To not see him shining his tires and wiping his car down playing his old school music every day and cracking jokes when I come to work definitely saddens my heart... but I know he loved God and you could see that light shining through him so I know he's in a better place. That's what gives my heart peace. Rest easy Clevin I know you have everyone in heaven laughing and smiling.*
