“ *Connie  
Was my student aide at Norfolk Naval Shipyard the Electrician Department Code 950. She was always full of joy and a great worker. The last time I saw her was in Food Lion, Churchland and she holler my name. I knew who she was without turning around. My Prayers are with the family.

“ I have known Constance since we were at Waters Jr High school. Always a good, spirited girl. Our sons played football together at I C Norcom. I would say my son's jersey was too tight when I was in the stand watching the game. She would say Shari leave that boy jersey alone it has to be tight so they can't grab it. We would laugh! I will never forget her. My prayer for the family is for healing: heart:☐.
