“ *Billy had a beautiful personality and didn't mind helping people when they were in need. When he had a Vegetable Garden, he would share the vegetables with the community. Billy was very knowledgeable in the Medical Field and didn't mind assisting his friends when they had questions about their medicines. Family be encouraged for Billy is resting with the LORD. Praying for peace, comfort and strength during this difficult time.*

Sending my love and prayers to all of the family. So many memories flood my thoughts as I think about the wonderful childhood we had. God blessed us to have Godfearing parents and guardians in our lives. Please remember that whether near or far we are United in the Love of God
