“ You were the sunshine in my life. Even though a cloud has tried to keep you from shining, your rays keep shining through. The photos we have of you always show that radiant smile. Even though we're sad you have left us, we know you're in a better place. No more pain and discomfort, only joy and peace. That must have been some reception you received at the gates of Heaven from your deceased loved ones. We love you and you will always be in our thoughts and never forgotten. As long as the sun shines I will always remember your beautiful smile and the life we shared together. We shall meet again someday, but only God knows when. When that day comes, meet us at the gate. Robert Montgomery and Family.

*I am so very sorry you have left us so quickly. I hardly knew you, but know your husband. He has been a good neighbor to me since being here on Drawbridge Drive. He starts my lawn mower sometimes and loans me his weed eater once year. My heart felt sympathy goes out to your family. I know they will really miss you. I just found out you passed this Tuesday morning. Charlene Sullins*
