*Extending our heartfelt condolences to the family of Dana Ali.
Please know that God will see you through this most difficult time.*

Dana could work all the lobby stations in the hospital. She never hesitated to assist us, if we had to leave the desk for meetings, breaks, lunch, etc. She worked each station with professionalism, and compassionate to help others. There were days, Dana worked in the volunteer office as well. She was always positive, with a can do attitude. Greeting everyone with a cheerful smile came naturally for her. Dana shared a closeness with many of the Guest Services Reps or Patient Experience Reps. Some got to know her on a personal level. I believe we all can attest that her kind demeanor was always the same with all of us.

Dana left us suddenly, but left a lasting impression on all of us.

We will always hold a special place in our hearts for Dana.

“ My deepest condolences to the family of Dana Davis-Ali. We used to catch the school bus together. Our bus stop was in front of New Hope Baptist Church-Pughsville. She lived right behind the church. Dana was a jovial person. She always had a smile on her face. I pray that God will comfort the family during this time of bereavement.
