“ Hi Eric. I was devastated when I heard about Darrell last week. My deepest prayers and condolences to you, Antwon and the entire Rodgers family. I wanted to attend the visitation today but unfortunately, I am not able to do so. I enjoyed receiving those inspirational messages every single day from your dad. I already miss not getting them. Darrell was always such an encouragement to me. I loved viewing all his delicious meals that he would post as well. The Angelic Choraleer Family also offer their condolences as well. My prayers for comfort are with you all as you celebrate the life of Darrell. 🙏🙏

“ *Condolences and prayers to you and your family in the passing of your father. Darrell was a good friend and brother. We sang in the gospel group Amos Davis and The Angelic Choraleers. He had a wonderful personality and was very comical. He sure could cook too! We loved him and will miss him. Eric and Antwone, be encouraged and stay strong. May God bless you.* Brenda Richardson Walston

My sincere condolences to the family of my childhood friend. Such a great guy. He will definitely be missed 🙏

“ Darrell was a dear dear friend. We grew up and played together when his mom was my babysitter. I can not believe he is gone. He will truly be missed. If you lived where we did, everyone was "cousins" and family. That's how we grew up from Deep Creek and Lincoln to Dales Homes. My condolences to the family and I will be praying for you. I am just too emotional right now because he was my "street brother."
