“ I feel like that I known Gary since the seventies when I first started going into Lawrence pharmacy but I have really gotten to know Gary well over the last 20 plus years as his delivery driver. I am honored to have had him in my life and I feel very honored to have been at his 80th birthday. He was an amazing man that always went the extra distance for his customers, his friends, total strangers and most of all his family. Love you Gary, rest in peace my friend.

“ Our condolences to the entire Lawrence family and Gary's extended family and friends. He was a kind and generous man. He filled prescriptions for toddlers in the Deep Creek community and eventually their own children and grandchildren, to include me and mine. He and my dad, Eddie Smith, were good friends. I watched the tears fall down Gary's cheek at my dad's viewing in April 2015 when he told my mother he'd lost a good friend. And now Deep Creek has lost a good friend, most definitely one of the last of his kind. Many prayers for the Lawrence family in your grief.

He displayed it by going over and beyond when help was needed. Many of us remember times when he would meet you at the pharmacy after hours if you needed medication for a sick child or adult. He did not discriminate. Lawrence Pharmacy will always be a reminder of his legacy.*

“ To the family, I express my sincere condolences. Gary Lawrence was a kind and pleasant pharmacist. Our family has been customers with Lawrence Pharmacy for a very long time, and have always been satisfied with business done there. I can even remember when it was in the adjacent shopping center. I had noticed his absence, a while ago, but thought he must have been enjoying retirement. I hope these words bring comfort to your hearts....Death leaves a heartache no one can heal, but Love leaves a memory, that no one can steal. Cherish your beautiful memories.

“ Gary has been a pillar of the Cradock Community since he was a youngster.

As a businessman for a half century he supported the civic efforts of the community.

He was well-loved and respected by the many folks he came to know in his years of community service.

My deepest sympathy to his family and many friends who are mourning his loss.

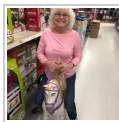

May he be remembered for his countless acts of kindness...and may he rest in peace.
