“ *From Kylin, Clay, and Brent*

We never had the chance to meet Uncle David, but we honor his life and the love he shared with those who knew him. His positive spirit and gentle heart live on through the stories and memories of family. Though we didn't know him personally, we're grateful for the light he brought into this world and the legacy he leaves behind.

“ For Uncle David

I'll always miss you, Uncle David. I don't remember a lot about us growing up, but I do remember your smile and the way you always seemed happy no matter what. You never asked for much, and you carried such a positive spirit that made people feel good just being around you.

Life is a journey, and so is death — one we all have to take someday. I know your journey isn't over, just changed. Until mine crosses yours again, I'll hold you in my heart and look forward to seeing you again one day.

“ *I just wanted to say David had a family who loved him even though we hadn't seen him in years. He's always been funny, kind and light hearted always smiling with his chuckle kinda laugh and talking fast conversations... The Edwards family send their condolences to his wife, kids and grandchildren... He will be missed and not forgotten*

“ *In Times Of Loss*

*We pray in the time of loss
You'll feel God's love much more
And that you will find your comfort
In the presence of the Lord
We pray God pours upon you,
His sweet Amazon Grace
And overflow your heart with peace
As you live in His Embrace.*

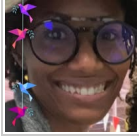

*My Condolences to my family and loved one, I'm sorry for your loss
at this time in your life. Weeping may endure for a night but joy
cometh in the morning.*

“ My uncle David will never be forgotten. He was the friendliest around. I never thought he'd leave us so soon. He would always call me shouting cheerfully - “Jessica! Jessica!” and say, “I ain't doing nothing but listening to my music... Come get me Jessica!” I would go pick David up. I loved my Uncle David. I was raised in the same household with my grandparents and my two Uncles and one Aunt for 10 years from a baby. Uncle David was a very rare person, meek, kind, caring and just.
