“ I am truly heartbroken to learn of your passing. You were such a significant part of my mother’s life for many years, and because of that, you became a part of ours as well. You were more than someone she loved—you were family to us.

You checked on me, my children, and my grandchildren consistently, always showing care, kindness, and presence. You were a steady, loving figure in our lives—a second dad in every sense of the word. One of my most cherished memories will always be you teaching my Jamal how to tie his shoes. That moment alone speaks volumes about the man you were.

Learning that you passed on my mother’s birthday feels heavy in ways I can’t fully put into words. Though I didn’t know about the memorial until today, please know that my heart has been with you and your family.

Thank you for loving my mother. Thank you for loving us. Your impact will never be forgotten, and your memory will forever live in our hearts.

Rest peacefully. You will be missed tremendously. Love you

“ It’s taken a while to compose this post. The Mears Family is shocked and saddened by Dave’s sudden passing. He was family and our hearts are broken. Uncle Bug was my third uncle.... He was always with us. There was my Mom (Ernestine/Stine) Uncle Richard (Joe), Uncle Michael (Mike), Aunt Janet, Aunt Clara, and Uncle Bug. Uncle bug was always happy to see or hear from me. We chatted often and he always had kind, supportive, encouraging, and uplifting words. He always had this peaceful and calm spirit, and an easy smile or laugh. I heard from him like clockwork on every holiday or just whenever we wanted to catch up. He cherished his grandchildren and freely shared photos of them.... He spoke of them frequently and They brought him great joy. Now he’s joyously resting with the heavenly hosts. We will truly miss you. We Thank God for the decades of love, friendship and laughter shared at our home on Carol Lane and via phone calls and Text messages. Until we are all together again.... Be blessed and rest well. We give our sincerest condolences to your beautiful family. You all will be in our continued prayers.

“Wow, I have known David all of my life. We grew up together. My oldest brother Pork Chop and him were tight. He was always soft spoken, kind. I've never seen him angry, just a really laid back, down to earth, great person. Our paths crossed a few years back, and we promised to keep in touch, and we did. We just connected during the Christmas holidays in 2025. He truly loved his children and grand kids. That's all he talked about. He will truly be missed. My thoughts and prayers go out to the family. And know that God's loving arms will hold you tight and walk with you and wipe your tears.

Dave was an extended member of our family from the time we moved to Lincoln Garden and we will miss him. We talked off and on and it was great to hear him talk about his grandchildren. Rest in peace my brother. We loved you. 🌹🌹🌹
