“ *To The Manigan Family - We extend our deepest sympathy in the time of your loss. I remember Deacon Manigan at the Senior Station and the many times he took my picture 'on' guard and 'off' guard. I also remember his wife in the Elks at Beacon Light and the bond she had with Mary Richardson. I will always have pleasant memories of the pictures, the times we shared at the Senior Station in Portsmouth, and on special occasions when I visited Morning Star.* ”
