“ *I was just heading to my mothers house when I noticed what I recognized as a family gathering for a funeral. I came into my mothers house to look up any information. I saddened me to know my friend Robin has moved into eternal rest. I know she is in the arms of Jesus. I had been wondering why I had not seen her in months. We usually run into each other about different shops and laugh and talk. She always inspired me and I hope I inspired her. Rest assured Lawrence family, Robin was a wonderful woman you know that but most important she was a child of God. We will see her again.*

Mrs. Robin was like a mother to me for many years of my life. She loved, instructed and disciplined me as I spent large amount of time at her house. She will always be loved and in my heart and memories.
