“ *I am so sorry to hear that Debbie passed away. I didn't know until today when I went to Dr. Shearin. Debbie had a beautiful spirit, beautiful smile, was so kind and compassionate to her patients. She talked so lovingly about her family. A great soul that will leave a great void in the lives of so many. I am heart- broken. So sorry I didn't know sooner. My prayers go out to her friends and family, such a huge loss.*

“ Lord, make me an instrument of your peace; where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy. O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood, as to understand; to be loved, as to love; for it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to eternal life.” (ST. Francis) May the peace of God that transcends all understanding cover the family during our time of bereavement for the loss of Debbie. (AC) Arnold Copeland

“ *Isaiah, My heart aches for you. Your mother is such an amazing person and spirit. I truly enjoyed the relationship that I had built with her. She never showed weakness and was so strong through it all. I wish I could have given her one last hug. Rest In Peace Ms. Twitty. I will always remember your words of strength and courage. The memories that I made with you will forever live on.*
