“ *" To my Nephew Carlos and Niece Carla. I would like to extend my condolences in your hour of bereavement. I pray that God will grant both of you His love, comfort, and peace of mind. Remember earth has no sorrows that heaven cannot heal. Cast all your cares upon Him; for he cares for you (1 Peter 5:7). If the work of God could be comprehended by reason, it would no longer be wonderful, and faith would have no merit if reason provided proof, even more reason to keep the faith.
