To Mary, Tiffany, Nyoka, Ebony and Britany I would like you to know that I am sorry for the loss of your mother. I remember when she brought the five of you girls to F.D.C.C. as though it was yesterday. The six of you sat on the same row with me each Sunday. I will continue to keep all of you in my prayers. If I do not remember anything else about your mother; I know that she loved her girls to life..... and adored her grand babies. I love you girls take real good care of each others. “ *Mary Epson and Family,*

Debra was such a phenomenal woman and touched many lives over the years. These past few days, I reminisce about all the good times we spent together and the yummy meals she's cooked, including the nasty peach cobbler(wink).

Although the love and support of a mother can never be replaced, we hope you find strength, in the love of family and in the warm embrace of friends. Ms. Diva's presence will truly be missed by all...keep her memory alive! Love you all!!

Thank you both. We will definitely keep my moms memory alive. Katisha we have to figure out the "nasty peach cobbler" recipe for Shawn and everyone else. We love you all too.
