“ Since I've been in this world. She always has and will always be Mrs. Lolo to me. She was always such a kind lady. To those of us who still remember Growing up in Huntersville (Suffolk) during the late sixties, early seventies the family unit was the most important thing. Mrs. Lolo's family was her life.

To the family, my prayers are with you during this difficult time. Understand that we're not meant to be here forever. Mrs Lolo lived a long and honorable life, be proud of that and do the same. Love each now more than ever. I encourage you to remember her in your own way, cry as often as you want but honor her with the life you live from this point forward.

Tori, nephew, I'm so proud of the man you've become. All the credit goes to your grandmother. She molded you to be a fine example of a grandson and what it means to honor the life of those who've come. I know, I've been blessed to have several women just like Mrs. Lolo in my life.

Mrs. Lolo, I thank my God every time I Remember you - Philippians 1:3
I'll miss you
