“ I offer my deepest sympathy to the Veal Family in the loss of your love one. Delores touched every person she encountered with a rod of steel but it was done to show that individual you could not be easily broken. She had the gift of seeing great potential in others for those of us that were mentored by her endured her method of teaching us and it did not always feel so good but we know today that because of her **WE CAN NOT BE EASILY BROKEN**. So farewell to a great teacher, mentor, friend and motivator. She will be missed and we say thanks Delores and the dress attire in heaven is all white ("The Fashionista").

“ To the Veal Family:

*God knew I needed a Delores Veal in my life and over 13 years ago he allowed our paths to cross at Newport News Department of Human Services. I fondly called her Dee. She had daughters and sons not biology but through Delores pouring her knowledge skills and great abilities into the women and men she met on her life's journey. Her wanting, pushing and pulling out of you shaping, molding and developing the best you. She wanted the best for you because she saw your potential. Dee would say, "If I have helped you, I don't want you to give me anything just reach back and grab someone else."*

*Matthew 25:40 "And the King will say, 'I tell you the truth, when you did it to one of the least of these my brothers and sisters, you were doing it to me.'*

*Lucie E Campbell, wrote the hymn He'll understand, "He'll say. "Well done"*

*If when you give the best of your service He'll understand and say well done, Oh when this life of labor is ended. And the reward of the race you have run. Oh the sweet rest that's prepared for the faithful Will be his blest and final "Well done." But if you try and fail in your trying. Hands sore and scarred from the work you've begun. Take up your cross and run quickly to meet Him. He'll understand, He'll say. "Well done."*

*Veal family, I loved Delores "Dee" Veal she was a brilliant mind, no nonsense leader and mentor I will surely miss her smile and laughter. She has left a great legacy and for every life she has touched her legacy will live.*

*Family let the God that sits high and looks low comfort you during your time of loss.*

“ I have known Delores for over 30 years. We resided in the same neighborhood when she lived in Stonebridge Townhouses in Chesapeake, and we worked together for many years at Newport News Social Services until she left me to go work for the state. I will always remember her beautiful smile, always laughing at my jokes. She was a joy to have as both a neighbor and coworker, and she will be sorely missed. My prayers for the family is that God will comfort and sustain you through this difficult time.
