“ *DeMar was well loved by his friends in New Jersey. From baking holiday cookies to going to holiday events, he was always happy just to be spending time with people. He never forgot the most important things in life-family and friends. His positivity and grace despite his circumstances inspired everyone who met him. He is missed by so many.*

“Demar was a beautiful God-loving member of our family. Brother Demar was the most loyal friend to my son’s Simi, since they where school-aged boys, riding bikes to their jobs at McDonald’s.

Always willing to help, smiling ear to ear. Yes indeed, he put the “whistle” in “whistle whiled you work”. Simply put, he was nothing short of a joy to be around. It can only be described as a honor to have known him. He was caring and of course, the most obvious of all, loving. He knew how to kill them with kindness. He was upstanding, driven, noble, humble with strength of a lion and character of a king, He gave back to society, with expectations of nothing in return. He’s absents will be more than greatly missed by all members of the Zambrano-Montoya family. We will be missing an important piece of our families unique puzzle. It is so hard to make sense of all this, but until we do, please watch over Simi and Myles. We still need you!

“ *Demar was an amazing young man who always went the extra mile and did what was right. He was a joy to work with and made a difference in the many lives we served together. We had many countless talks about sports and his many desires. As we worked side by side, I always knew he had wonderful work ethic and determination to be successful. It is sad to see him gone, but I am just blessed very much to have known him. Demar, rest in peace, and we will be together again!* ”
