“ *Willie was very near and dear to my family and me. I met him in his teens and we became friends. He handled challenges without being hardened...he was a survivor. When I saw him a couple of months ago, I was relieved to know he was still that fighter.*

*He was a dear friend to all my daughters and I know they'll miss him dearly. I personally will miss his smile, attentive eyes and tilted head that were present during our conversations.*

“ Deon was my youngest and always so happy and carefree. I love him and approve of him and miss him so very much. This loss is so hard...I never imagined the pain that losing a child brings. RIP my son, I love you.
