“ *Our friendship crossed a rocky road. Together we made it smooth. We had countless disagreements, but at the end of the day, we only reached contentment. Your "Road Dawg" is what you called me. We traveled and experienced many things together. I will miss your loving, thoughtful and caring ways. I could count on you to be there when I was ill and in need of care. My friend, I wish for you joy, peace, happiness and eternal rest!*
