“ I met Dianne over thirty years ago when her husband Howard worked on my car. I remember when my son was born, she gave me the most amazing outfit for him. I still have it today. She was the first person I knew that had a grapevine Christmas Tree. I had never seen one before. She was a talented decorator. I was saddened to hear the news of her passing. To those of us fortunate enough to have been her friend - Let's try to be thankful for the time we had. I will keep all of you in my prayers.

“ I came to know Dianne as co-workers, first at The Hipage Co and then at Livingston Int'l. When I remember her, it will be with her 442 T-shirt that she wore so often and her working on some needlepoint project during our lunch breaks. Blessings to the family. Cheryl Godfrey
