“ I am shocked to learn of Dionne's passing! We attended church together in Waukegan years back. She was a good friend and I wish her family the best.

“ I am shocked to learn of Dionne's passing. I hadn't heard from her in years, and we served together aboard the USS Bataan during the 9/11 deployment. One of my most significant memories of Dionne was her boldness and courage to share the truth, especially when addressing difficult situations. She gave me the insight to seek the truth about one such issue that helped me greatly in the years since.

I wish her family the best, and thank God for the opportunity to have served together.
