“ *Dolores - A forever Sentara Norfolk General Friend/Coworker. What a blessing to know her. My kids & I enjoyed spending time with her coloring & chatting on occasion. I will miss the New Year's cards each year with the pictures from her adventures. Until we meet again.*

I met you at a very low point in my life and you were the one responsible for bringing me through it. My prayers are with your family. You will always be in my thoughts.

I will miss Boogie. We knew each other from the time we were early teens. Her father and mine were good friends and we went to church and church functions together. Later in life she would join me when I went to Nags Head. She loved her traveling and always missed her father after his passing. May she rest in peace. Laura Davis Wilton
