“ It is with sadness to hear of the transition of my childhood friend. My the special memories of your loved one, strengthen and give you peace. I will certainly miss the many jokes and laughter while reminiscing of our childhood days.

“ As a youth I always remember Donald being around my big brother Ralph Winn. Later in life after my brother passed away Donald became my big brother. He always talked about his children and grands. He was very proud of them and loved them dearly. DC Parker you will be forever missed!!! To the family you have my prayers of Peace and Comfort.
