“ It has been a year since my daddy passed away, I reflect on the emotional journey of coming to terms with his departure. His unconditional love shaped me, and though the pain lingers, I've found healthy ways to express it. Daddy introduced me to God, shared invaluable wisdom, and instilled a heart to serve others. He gave me more than material things – he taught me the value of hard work. Even though tears run down my face, somehow a smile emerges with the memories of you. I can even feel his tight hug. Today, as he watches over from heaven, I believe I'll be just fine. Missing you tremendously, daddy.

“ *To the family of Donald E Self I extend my Deepest Condolences for your loss. Donald and I grew up together in Truxton together and played on the Olympic Little League of the Charles Peete organization. We lived one street over from each other and played high school football together. I look at that baseball picture and it takes me back when we were making history in Portsmouth. RIP my fellow Veteran*

“ *My sincerest condolences to my Aunt Sheila Brothers and the family. My parents named me after him when he was in the military. I was my Uncle Daffy's Namesake and I wore that honor proudly. He will truly be missed by me and my kids as he played a major part in their lives when it came to teaching them the fundamentals of baseball. He always had a word of encouragement, love, support and even correction whenever I was going through something. No one will ever be able to say "Baby" the way he did. I will forever love him and carry him in my heart always. The bible says, "To be absent from the body is to be present with the Lord" (2Corinthians 5:8) and "Earth has no sorrow that heaven can not heal" (Isaiah 35:10). So I find comfort in knowing that this is not goodbye. It's just, "I'll see you on the other side". Your namesake, Donna and family.*
