“ I would like to express my condolences for the loss of your loved one. When you lose a loved one to death, you might be confronted with a number of overwhelming emotions. However, allow yourself time to grieve. Remember the happy times you shared with your loved one. Remembering those times might be painful at first, but in time, these memories may help you to heal rather than cause you to hurt. Most importantly rely on “the God of all comfort.” The Bible says: “Throw your burden upon Jehovah himself, and he himself will sustain you.” (Psalm 55:22) Prayer to God is not some sort of emotional crutch; it is real and vital communication. Pour out your heart to God. He will listen and give you the strength needed to help you through this sad time.
