“ Mr. Donald was a honorable man. When we moved to the neighborhood, he was one of first people my family encountered. We met him by getting collards from him. We knew he was legit when he cut the leaves off the head lol. I missed him when he moved with his family. I will always cherish his kindness and meekness. Take your rest sir. Job well done.

“ We mourn the loss of our friend and neighbor Donald. Donald was such a kind, loving and giving person. He had a passion for growing beautiful flowers and a vegetable garden that would put most farmers produce to shame. He made sure all of his neighbors got FREE vegetables. Donald was a like a brother to us. Our Memory of him will out weigh his absence. RIP
