“ My condolences to Mr. Donald’s family in this time of suffering. Our Almighty God is aware of your pain and through his word the Bible helps to alleviate it. The 2nd letter to the Corinthians, chapter 1, verses 3 and 4 reads that He is the Father of tender mercies and the God of all comfort who comforts us in all our trials. In this case Revelation, chapter 21, verse 4 makes us know that “death will be no more, neither will mourning no outcry nor pain be anymore”. Isaiah 26:19 promises “Your dead will live.....And the earth will let those powerless in death come to life.

Sincerely,

L. A
