“ I met your Father and got to know him really good as my friend when he drove his vehicle to High Street to sit and look at the waterfront. I would walk my dog several times a day and we got to know each other and talk just about every day. We became friends. I called him in the hospital and he could not talk, he was going down for tests. Then my brother had heart bypass surgery and I called the hospital again and he was not there The Lord had taken him home. I am trying not to cry because I know he is OK now. But I just want to tell you the things he told me. He told me how the son really took care of him and looked after him so good. He really loved you for that so let that be your comfort. He loved you so much. Donald was such a good man and was proud of his position in the church. To the son, he wanted you to get that kidney and get on the list. I want you to know that. He talked to me about a lot of things you probably do not know about. He is surely in heaven. I loved him the more I got to talk to him and I think I added to his daily life as I would call and talk to him at night just to check on him as my elderly friend. We laughed and shared stories. I will miss seeing him at my corner every day now. Donald you are going to the good life now. I will miss you and our talks.

“ To the Family:
Elder Trusty was just my Pastor at Jerusalem Temple in Boydton for the longest time. :-) I did learn a lot from him. It was always fun having him and his family over after service and while the adults stayed inside, we the kids went outside and played basketball. Those were the days. Rest in peace Elder Trusty. You are where you want to be. To the family, I pray for your continued strength. God bless you and keeping you. I love you!

“ *To the family of Elder Donald Trusty, may you all be comforted in the memories of him and the bond of family in good and bad times. When you have lived a life honoring the Lord, there is no need to say goodbye, just "see you later."

“ To the family,

Sorry to hear about your lost. Please remember "The Revelation 14:13, And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them."

“ *Eula,*

When we all get to heaven, What a day of rejoicing that will be!

We praise God for the life of Elder Trusty. His legacy as the State Evangelist who prayed us through many illnesses, troubles, dangers seen and unseen will not soon be forgotten. I will also remember his praising the Lord. Please be lifted by the many pleasant memories of your father -- and his travel partner, Bishop Talley.

Love you much. See you soon.

“ Sorry to hear of the loss of your dear loved one. Almighty God hates death, he views it as an enemy. (1 Corinthians 15:25) At this time its comforting to know, Jesus speaks of himself as having "the keys of death and of the grave" and he use these keys in releasing those held by death. (Revelation 1:18, Revelation 15:20,21)

“ My heartfelt condolences to the Trusty family. The death of a dear loved one is so hard to bear. Knowing this, our loving merciful Father gave his Word to end death, pain and suffering. His love will strengthen you to endure the loss of your dear loved one. Revelation 21: 4, 5.
