“ I knew Donna and her wonderful family for over 30 years. We worked together at CHKD and then Sentara. I was sorry she had to move away but it was better for her health. God Bless all of you. *Vincenta Carleo Guertin*

“ I met Donna years ago through my son-in-law. At that time she was working at Sentara. She eventually retired and moved to Arizona to live with Matt and Shirley. Donna liked to have fun and had a terrific personality. *Steve and Candace Calentine*
