“ My deepest condolences to the family. Donnell was my first brother-in-law, I loved him like a real brother. He would lift your spirits just with his smile. He would keep you laughing all the time joking with everybody, but one thing I can say about Donnell he was always about his family; he loved his family and friends. Donnell touched a lot of people with his personality, everybody loved him. Bro-in-law you will truly be missed. Your spirit is kept alive in your kids (Lil Man and Imani.)
