“ *My deepest condolences are sent to you the family. Sister will truly be missed. We talked infrequently, but would talk for hours when we did. Her laugh was infectious, and her smile could be felt like the warmth from the sun. She truly loved her family. I begin to grin from ear to ear when I think of some of her antics and sayings. She could really pull them out of a hat. Keep in mind that this is not a goodbye, but a see you later. Praying for your comfort and peace.*

“ Ms. Dorothy J! was a force to be reckoned with. She taught me how to be the strong, independent woman I am today. She was more than my Aunt. She loved her brother (Jack) so much, she took the responsibility of being my "Mom" to mold me as a woman. I will always love her and I pray strength for my Cousins and their children. Peace and Blessings! Latora "Niki" Hymon

“ Dorothy Jordan, was a great sister whom loved and defended me on more then a few occasions, She was the first born of a first born (George Hymon, Sr.), she was special to me, because I was the younger brother and I can remember when she was left in charge of me and my brother, she would make meat-loaf and ginger-bread, that was her favorites to make. Her family was very important to her, she loved her children and grandchildren a great deal! Therefore, her family is now very important to me, because I know that's want she would want. She will truly be missed by me (James 'Jack' Hymon).
