“ *I am so late commenting on how I remember Dorothy Plese. I worked with her years ago at the Chesapeake Club House. We were the drivers for clients with mental health disabilities. Dorothy was such a ray of light to me. I remember she gave me a beautiful aqua green 2 piece dress suit for Christmas! I Loved that suit and wore it with the dignity and pride that she exemplified to me. I will Always remember her dedication and commitment to show genuine love to everyone. The world will always be a better place because of Dorothy's sparkling heart: Dorothy, you gained your wings now a few years ago, but the memory of you will live on. Always,

“ MsAnn or Aunt Ann was one of my dearest friends. Stood by me when my husband died. For most of my adult she was always there. Drove me to Spartanburg SC. When I found my daughter who had been missing for 2 years. Because I had drove all night the night before and was tired. She never ran out of energy. I wish the family peace and comfort in knowing that their love one was loved by many. My heart hurts but she will always remain in my whole family hearts. The Finney Family.

“ With deepest sympathy to the Plese Family. Ms. Ann was my daughter's godmother and my mom's close friend. She was the most thoughtful and kind person that I know. We will always remember the love she had for us. May God bless your family during your time of bereavement.
